

Program Development Funding Application

Guidelines – Page 1 of 2

This document is provided for AJAC's partner organizations that meet the specified requirements

ELIGIBLE APPLICANTS

Requests will only be considered from organizations which meet the following 2 criteria:

1. They are involved with active and approved apprenticeship programs through Washington State Labor and Industries Apprenticeship Division
2. They are engaged with the Aerospace Joint Apprenticeship Committee in recruiting, enrolling, instruction or other relevant activity

GUIDELINES

- Requests must demonstrate that the funds will be used for things such as equipment and program development directly related to the programs managed by AJAC
- Request of up to \$50,000.00 will be considered
- The application must include documentation of matching funds
- If required, the applicant must provide 3 bids and/or a fair market value assessment
- Requests must be made by completing the Funding Application and submitting it to the AJAC Training Director via e-mail
- Requests will be considered for:
 - To approve or decline the request
 - Approval of entire request or a portion of the request
 - Percent of match

E-mail complete applications to Laura Hopkins at: lhopkins@ajactraining.org
