

ADVANCED MANUFACTURING PREP

Ready to Learn. Ready to Earn.

AJAC's Advanced Manufacturing Prep (AMP) two-day training provides candidates interested in pre-apprenticeship and registered apprenticeship programs an opportunity to determine their pathway into the aerospace and advanced manufacturing industries. AMP will provide the following services in the two-day training:

Insight into advanced manufacturing and AJAC's apprenticeships

Mock interviews with AJAC's participating employers

Develop industry-ready soft skills training

Pre-qualify for program funding and human services

Resume and cover letter writing from industry experts

Earn AMP completion certificate from AJAC
