

CNC Set Up/Operator Machinist, Aerospace – 2nd & 3rd Shifts (Kirkland)

JEMCO Components & Fabrication, Inc., a growing aerospace manufacturing company in Kirkland, Washington is seeking high energy, positive employees for multiple shifts. Are you analytical, solutions-oriented, and encouraging to other team members? If so, we want to hear from you!

We are at an exciting stage of building a strong foundation for our growing, sustainable future, and we encourage you to take advantage of this opportunity by applying today. Learn more at www.jemcoinc.com.

Candidates must be willing to learn and be willing to teach. We are looking for energetic, motivated, and talented individuals who are reliable and positive. The most successful candidates will operate with a problem-solving approach, think creatively and resourcefully, and desire to work independently with minimal errors. We are looking for qualified, career-oriented, long-term employees.

Under limited supervision, Set Up Machinists will:

- Perform daily setup and operations to run 3-, 4-, and 5-axis CNC machines/mills (diverse machine experience preferred)
- Read and understand engineering drawings and blueprints including true positioning and conventional tolerancing
- Read and follow production planning
- Run jobs close to tolerances of +/- .0005"

Job Requirements:

- Able to excel in a fast-paced, hard-working environment with quality management requirements (AS9100C, ISO 9001:2008, ITAR)
- Values: strong attendance, work ethic, "can-do" attitude, talent, self-motivated, and professional
- Previous experience setting up and operating CNC machines required (3-years setup experience desired)
- Basic programming knowledge desired
- Proficient shop math, using basic concepts of algebra, geometry and trigonometry
- Willing to work over time, Full-time positions (5 days, 8 hour shifts)
- Position requires U.S. Citizenship, U.S. Permanent Residency, or other status as a U.S. Person (ITAR)
- Must pass pre-employment drug screen

Benefits:

401K Retirement Plan
Life Insurance
Paid holidays
Tool Refinance Program

Medical, Vision, Rx, Dental
Vacation leave
Formal onsite training program
