

The Lighthouse for the Blind, Inc.

Job Announcement

Title: Quality Inspector

Location: Seattle, Washington
Department: Quality Assurance
Reports to: Quality Manager
Hours: Full-Time, M-F
Shift: Days

Summary:

Performs receiving inspection to determine the acceptability of manufactured parts to ensure a quality product.

Essential Job Functions:

- Inspects and determines acceptability of Government, Military and Aerospace products, other parts and sub-assemblies as required.
- Performs receiving, first part, in-process, first article and final inspections.
- Understands customer requirements and assures compliance to standards.
- Audits procedures for adherence to standards.
- Provides leadership and training in quality improvement and manufacturing processes.
- Maintains required documentation to assure process control.
- Assists Set-Up Specialists and others in corrective action on non-conforming parts or process controls to assure conformance on future jobs.
- Performs other duties as assigned.

Minimum Requirements:

- High school degree or better with shop math required.
- Five (5) years inspection experience required.
- Thorough knowledge of inspection devices and tools required.
- Strong sense of responsibility, initiative and teamwork; ability to work according to timelines and customer specifications required.
- Experience in total quality/team-oriented manufacturing environment and ability to support working relationships between inspection and manufacturing departments required.
- Advanced inspection courses (college level) preferred.
- Aerospace inspection experience preferred.

Though you may meet the requirements for work eligibility in the United States, this position requires that you meet special government/military compliance regulations (ITAR-International Traffic in Arms Regulations). This means you must be able to provide legal documentation as a U.S. citizen, U.S. permanent resident alien, or other ITAR compliant status.
