

Math Instructor

Job Title: Math Instructor

Organization: Aerospace Joint Apprenticeship Committee (AJAC)

Location Address: Tacoma, WA or Enumclaw, WA

Position Type: Part-Time | 50 Hours over 8-12 Weeks

Compensation: \$39.00/Hour

Travel Required: This position requires travel to respective campus one night a week during the course of the 8-12 weeks.

Required Experience: 3 to 5 years of experience of math instruction

Who We Are: The Aerospace Joint Apprenticeship Committee (AJAC) is a statewide non-profit organization with offices in south Seattle, Kent, and Spokane. We are an industry-driven apprenticeship organization, founded on the belief that mastery occurs on the job. Through pre-apprenticeship, youth apprenticeship and adult apprenticeship, all people have the opportunity to earn competitive wages, find meaningful and fulfilling work, and pursue lifelong learning. The organization annually serves 300+ manufacturing employers, 400 apprentices (including 100 high school juniors and seniors), and nearly 270 pre-apprentices. We have a small staff of entrepreneurial, smart and motivated team members – this work is fast and dynamic but also rewarding and highly collaborative.

About this Job: We are seeking an innovative and experienced math instructor to teach a Shop Algebra and/or a Geometry & Trigonometry course for adult apprentices in the machining industry. Instructors are provided with AJAC's curriculum to teach use during the 12-week course.

Some key duties of this position include:

- Teach apprentices math concepts and application using a variety of instructional techniques
- Differentiate instruction as needed
- Communicate effectively and professionally with students and staff
- Use our online system to report apprentice attendance and progress on a weekly basis
- Establish guidelines and manage conduct of students as appropriate for the classroom
- Work with the Program Director and make suggestions regarding the curriculum
- Participate in instructor training and curriculum development meetings
- Communicate effectively in oral and written English
- Perform other duties assigned

Qualifications:

- Ability to effectively work with diverse populations

- 3 to 5 years of experience teaching math
- Proficiency in Algebra, Geometry, and Trigonometry
- Excellent communication skills

Preferred Qualifications:

- Prior experience teaching or mentoring in a college, technical, or vocational environment
- Current first aid and CPR certification

How to Apply: Please send your resume and letter of interest to instructors@ajactraining.org. Please include "Math Instructor" in the subject line.

Deadline to Apply: Open Until Filled

Equal Opportunity Employer: AJAC is an Equal Opportunity Employer. All decisions concerning employment will be made without regard to age, race, ethnicity, color, religion, creed, sex, sexual orientation, gender identity or expression, national origin, marital status, citizenship status, veteran status, the presence of any physical or mental disability, or any other status or characteristic protected by federal, state, or local law.
