The Manufacturing Academy (MA), developed by AJAC, delves into essential technical skill development while students earn industry-recognized certifications—enriching their professional portfolios and bolstering their employability.

AJAC's extensive network of manufacturing employers in King County will play a pivotal role in bridging the gap between classroom learning and practical application. Upon successful completion of the MA program, students will be connected with career opportunities within the local advanced manufacturing industries. Apply today and the program manager will follow-up with you on next steps.

DATES/TIMES: April 8th - June 17th | Monday - Friday (8:00am-2:00pm)

STRUCTURE: Classroom learning occurs in person Monday to Thursday, with independent study from home on Fridays.

LOCATION: South Seattle College—Georgetown Campus (6737 Corson Ave S, Seattle, WA 98108)

CONTACT: John Manning | jmanning@ajactraining.org

REQUIREMENTS: Must be a Washington State resident, 18+, attend class in person Monday-Thursday, and complete application and funding paperwork.
