AJAC's Manufacturing Academy is your first step into a hands-on, high-demand career in advanced manufacturing. This no-cost pre-apprenticeship program gives you real experience working with tools, machines, and materials used by today's manufacturers. In just 10 weeks, you'll build practical skills, earn industry-recognized certifications, and get connected to local employers who are ready to hire.

Whether you're just starting out or looking for a fresh career path, the Manufacturing Academy can help you launch a future with long-term opportunity and growth. Apply today and the program manager will follow-up with you on next steps.

DATES/TIMES: July 7th - September 16th | Monday - Friday (8:00am-2:00pm)

STRUCTURE: Classroom/shop learning occurs in person Monday to Thursday, with independent study from home on Fridays.

LOCATION: South Seattle College—Georgetown Campus (6737 Corson Ave S, Seattle, WA 98108)

REQUIREMENTS: Washington State Resident, 18 and older, legally allowed to work in the U.S. You must attend each in-person class and complete all enrollment, application, funding, and enrollment paperwork.
