At South Seattle College (Georgetown Campus)

INTERESTED IN A CAREER IN ADVANCED MANUFACTURING?

10-Week Pre-Apprenticeship Training For Aerospace and Advanced Manufacturing!

- Shop Math
- Intro to Machining
- Blueprint Reading
- Precision Measuring
- OSHA-10 Certified
- Lean Mfg Certified
- Forklift Certified

AJAC's Manufacturing Academy is your first step into a hands-on, high-demand career in advanced manufacturing. This no-cost* pre-apprenticeship program gives you real experience working with tools, machines, and materials used by today's manufacturers. In just 10 weeks, you'll build practical skills, earn industry-recognized certifications, and get connected to local employers who are ready to hire.

Whether you're just starting out or looking for a fresh career path, the Manufacturing Academy can help you launch a future with long-term opportunity and growth. Apply today and the program manager will follow-up with you on next steps.

DATES/TIMES: January 12th - March 24th | Monday - Friday (8:00am-2:00pm)

STRUCTURE: Classroom/shop learning occurs in person Monday to Thursday, with independent study from home on Fridays.

LOCATION: South Seattle College—Georgetown Campus (6737 Corson Ave S, Seattle, WA 98108)

REQUIREMENTS: Must be 18 or older, a Washington State resident, legally allowed to work in the U.S., complete all paperwork, and attend class daily. You will be required to provide your Social Security Number.

START ENROLLMENT TODAY:
www.ManufacturingAcademy.org

* Many students may qualify for no-cost enrollment through funding from various partners. If you do not qualify for funding, you may choose to enroll by paying out-of-pocket if you are not eligible.

SOUTH SEATTLE COLLEGE

AJAC™ Advanced Manufacturing Apprenticeships

It is the mission of AJAC that the training of all served shall be without discrimination based on race, sex, color, religion, national origin, age, disability, veteran status, sexual orientation, gender identity or as otherwise specified by law. AJAC also encourages women, minorities and veterans to apply with their employer. This workforce training program receives partial support and funding from U.S. Department of Labor Apprenticeship: Building America grants. Read more about USDOL grant funding at esd.wa.gov/usdol.
