INTERESTED IN A CAREER IN ADVANCED MANUFACTURING?

10-Week Pre-Apprenticeship Training For Aerospace and Advanced Manufacturing!

- Shop Math
- Intro to Machining
- Blueprint Reading
- Precision Measuring
- OSHA-10 Certified
- Lean Mfg Certified
- Forklift Certified

AJAC's Manufacturing Academy is your first step into a hands-on, high-demand career in advanced manufacturing. This pre-apprenticeship program gives you real experience working with tools, machines, and materials used by today's manufacturers. In just 10 weeks, you'll build practical skills, earn industry-recognized certifications, and get connected to local employers who are ready to hire.

Whether you're just starting out or looking for a fresh career path, the Manufacturing Academy can help you launch a future with long-term opportunity and growth. Apply today and the program manager will follow-up with you on next steps.

DATES/TIMES: January 12th - March 24th | Monday - Friday (8:30am-2:30pm)

STRUCTURE: Classroom/shop learning occurs in person Monday to Thursday, with independent study from home on Fridays.

LOCATION: 215 N 3rd Avenue Yakima, WA 98902

REQUIREMENTS: Must be 18 or older, a Washington State resident, legally allowed to work in the U.S., complete all paperwork, and attend class daily. You will be required to provide your Social Security Number.
